

DISCLAIMER

This website contains general information about medical conditions and treatments. The medical information on this website is provided “as is” without any representations or warranties, express or implied. DAOS Corporation makes no representations or warranties in relation to the medical information on this website. Without prejudice to the generality of the foregoing paragraph, DAOS Corporation does not warrant that the medical information on this website will be constantly available, or available at all; or the medical information on this website is complete, true, accurate, up-to-date, or non-misleading.

The information and study materials provided herein (or in any part of this website, downloads, affiliates or links) is not an advice and shall not be treated as such; and is not a replacement for the Physician's clinical assessment and / or competency. The User shall seek professional information, shall practice on-site clinical judgment and shall make proper assessment prior to administering any Treatments. The User shall consult local statutory medical council for further information.

This disclaimer is not exhaustive and shall form part of the DAOS General Disclaimer as www.daos.us/disclaimer. DAOS shall reserve the right to amend or update the contents of this disclaimer as and when deemed necessary.
